## Frozen 2

### Into the Unknown

arr. Roger Emerson

The award-winning songwriting team of Kristen Anderson-Lopez and Robert Lopez crafted this introspective showpiece for Queen Elsa (Idina Menzel) in Disney's smash hit animated sequel, *Frozen 2*. Elsa wanders the halls of her castle in Arendelle, thoughtfully considering following a mysterious voice (AURORA) that has been calling out to her. Powerful, cerebral vocal lines ascend and weave in this strong and skillful arrangement, with an ending climax for the ages!

### Frozen 2 (Choral Highlights)

arr. Mac Huff

*Frozen* composers Kristen Anderson-Lopez and Robert Lopez were challenged to expand and deepen the themes explored through song in the 2019 Disney animated sequel, *Frozen 2*. With a more mature, genre-blending mix of folk, rock and Broadway tunes, these six brand new songs run the gamut of emotions, further enchanting listeners with the continuing adventures of two sisters

from Arendelle! Includes: *All Is Found*, *Into the Unknown*, *Lost in the Woods*, *Show Yourself*, *Some Things Never Change* and *When I Am Older*.

### All Is Found

arr. Mark Brymer

Before Elsa's powers were finally explained in Disney's *Frozen 2*, Elsa and her little sister Anna used to listen to their mother sing this tender and beautiful folk lullaby as they were falling asleep. The tale told of a magical river in a far-off land, which would provide all of life's answers should the water eventually be found. An appealing flute part joins this effortless choral arrangement, with harmony accentuating the text by Kristen Anderson-Lopez and Robert Lopez.

### Lost in the Woods

Robert Lopez/Kristen Anderson-Lopez

arr. Mark Brymer

In a wonderfully realized gender-reversal thread in the plot of Disney's *Frozen 2*, comes this passionate '80s rock ballad from mountain man Kristoff, accompanied by none other than singing apparitions of his reindeer and lifelong best friend, Sven. Staged on the screen to mimic the landmark music video for Queen's *Bohemian Rhapsody*, this will elicit much more than a wry chuckle from your audience!

Robert Lopez/Kristen Anderson-Lopez

arr. Audrey Snyder

In Disney's *Frozen 2*, now the highest-grossing animated film of all time, protagonist Anna reaches a point in which it seems that all hope is lost. Using the strength of her mentors and her own unshakable will, your choir can share Anna's emotional journey on the concert stage, culminating in a truly transformative crescendo of determination, one impassioned step at a time!

Robert Lopez/Kristen Anderson-Lopez

arr. Mac Huff

Intriguing themes of purpose and sense of self are stunningly explored in this climactic refrain from composers Kristen Anderson-Lopez and Robert Lopez, who gather motifs from songs sung earlier in Disney's *Frozen II* narrative to a spirited and cyclical effect. The song's moment of catharsis as the veil is finally lifted off the mystery is pure

choral majesty!
